

應外系大學部94級校友 劉德正

歡迎來到元智應外，這裡有優秀的師資、有充分的資源、有各種有形無形的助力，能支援你在接下來四年求學過程當中所需的一切。這句話絕對不誇張，但前提是你願意、且有興趣去學習有關英文或日文的一切事物。系上師長永遠不會吝於提供援助，只要你肯抓住那隻向你伸出的手。或許這四年當中你會不斷問自己為什麼走上這條路、離開學校後自己能做什麼？對於這種問題，現在的我只能笑著對你說等你把主修學好了再來煩惱這問題都不嫌遲。以前我們也都問過自己這個問題，有趣的是，當我們順利取得學分、眼看就快要畢業的時候，似乎再也沒有人會問這個問題了。在我們思考手上的刀究竟能幹嘛之前，先把刀磨利一點或許會比較快找到答案。

“ Welcome to this department, where there are excellent teachers, sufficient resources, and various tangible and intangible assistance, supporting everything you need in the next four years of studying. This is not an exaggeration, as long as you are willing and interested to learn everything about English or Japanese. The teachers will never hesitate to assist you if you are willing to grab the hand that reaches you. Perhaps during the four years, you would keep asking yourself why you took this path and what you can do after you leave school. Regarding these kinds of questions, I can only smile and tell you that it is not too late to worry about this after you finish your credits. We have all asked ourselves this question before. What’s interesting is that when we successfully get the credits and are about to graduate, it seems that no one will ask this question again. Before we think about what the knife can do, sharpen the knife a little bit and we may find the answer faster. ”
