

應外系大學部86級校友 李政翰

親愛的學弟學妹們好，歡迎各位加入應外系的大家庭! 本系是國內少數能同時提供學生英日文學習的系所，希望學弟妹們能好好把握如此難得的機會，善用系上及學校提供的豐富資源好好學習。四年的時間很快就過了，只有自己多多努力，才能提升個人的競爭力。此外，在精進語言能力的同時，若能再培養一個有興趣的專業，則更能為未來的職涯發展加值。祝福各位在應外系的學習旅程都能收穫滿滿!

“ Dear all ,
Welcome to the big family of the Foreign Languages Department! This department is one of the few departments in Taiwan that can provide students with English and Japanese studies at the same time. I hope that you guys can seize these rare opportunities and make good use of the resources by the department by studying hard. Four years passed very quickly, and only by working hard can you enhance your competitiveness. In addition, while improving language skills, if you can cultivate another expertise that you are interested in, it will add value to your future career. I wish you all rewarding experience in your learning journey in the Department of Foreign Languages! ”
